ABOUT US

- **Over 28 years operating in the heart of the oil and gas industry**
 - Family-owned and operated since 1993, providing personal service and support.
 - Our Houston, TX roots allows us to understand the market and adapt to the evolving oil and gas industry.
- **Experienced and always-available team ready to assist with a diverse set of inquiries**
 - Our product and industry knowledge sets us apart from other suppliers.
- **99% of orders are brought in-house for full inspection prior to shipment and delivery**
 - While other vendors try to save costs by shipping direct, we personally inspect and pack virtually every shipment that leaves our facility.
- **Special distributor pricing for major equipment manufacturers, along with reliable and cost-saving aftermarket options.**
 - Strategic distributorships with excellent pricing and inventory capabilities.
- **Our outstanding credit terms with manufacturers allows us to provide immediate quotations and order processing.**
- **Excellent after-sales support**
 - Need a certificate? Manuals? Proof of Delivery? Our services do not stop after delivery.
 - We are here to support you and your project requirements from inquiry to final delivery and beyond!
